2025

Introduction

```cpp
outer: while (/*...*/) {
    for (/*...*/) {
        if (/*...*/) {
            continue outer;
            break outer;
        }
    }
}
outer: /*...*/
```

Opinion needed

WG21 P3568
Double down on WG14 N3355

```
outer: for (/*...*/) {
    for (/*...*/) {
        if (/* ... */) {
            continue outer;
            break outer;
        }
    }
}
outer: /* ... */;
goto outer; // error
```

WG14 N3377
TBD at Graz 2025-02

```
for outer (/*...*/) {
    for (/*...*/) {
        if (/* ... */) {
            continue outer;
            break outer;
        }
    }
}
for outer (/* ... */);
goto outer; // error
```

P3568R0 break label; and continue label;
